A very special welcome to all our new students who have just started on their educational journey at Kingsford School. We wish you all the very best as you become part of the Kingsford whanau.

Cook Islands Language Week

Last week we celebrated Cook Islands Language week. Students were involved in a week filled with experiences focused on the language and culture of the Cook Islands. Many thanks to all those whanau who came into school and supported our learning programmes last week.

Covid-19 Update

Just a friendly reminder that we are still at Covid-19 Alert Level 1. This means regular hand washing and sanitising, coughing or sneezing into the crook of your elbow, and importantly, staying home if we are displaying flu-like symptoms.

Please remember to let us know if you are keeping your child home from school. You can do this by leaving a message on the school answer phone, or by completing the absence form on our school website.

You can also update your contact details on our school website, or give us a call at the office to let us know your new address or phone number.

School Assembly

Our weekly assemblies are back, and are now being held every Tuesday, at 2.00pm. All are welcome to attend. This week, our assembly will be run by the students in Room 7.

Before School Visit to Manaia

Last week we had some very special guests visit us from the Immanuel early childhood centre, as part of our Little Pilots transition to school programme. These students are about to start the primary school phase of their education, so to ease this transition, we invited them along to see what school is all about.

Stop chaos at the school gate

Never stop on yellow lines or double-park around the school.

Parking like this can block the view of students and motorists making it hard for students to safely cross the road.

Develop your child's road sense and let them walk the last 500 metres to school.

For more information, check out our school website www.kingsford.school.nz or search for Kingsford School on Facebook.
